USTA Dallas Local League Rules & Regulation

1. CREATE A USTA TEAM:

- 1A.** General and local league registration information is forwarded via email to captains as well as posted on the Dallas Tennis Association's (DTA) website at www.dta.org.
- 1B.** To request a USTA Team Number for a local league, email the Local League Coordinator at leagues@dta.org with (1) League Name, (2) Facility Name, (3) Level of play, (4) Captain's Name and (5) Captain's USTA Number. Team numbers will be emailed to the requesting captain by the local league coordinator. Once a captain receives a team number, you may use the USTA TENNIS LINK registration system to add players at <http://tennislink.usta.com/leagues>.
- 1C.** Captains are required to obtain a new team number at the start of every local league season.

2. PLAYER REQUIREMENTS:

- 2A.** All players must be current USTA members throughout the league season to be eligible to play any USTA match. It is each player's responsibility to join or renew his/her membership.
- 2B.** For league play, player must be 18 years of age for 18 & Over ADULT, 40 years of age for 40 & Over ADULT, 55 years of age for 55 & Over ADULT, 65 years of age for 65 & Over ADULT within the calendar year.
- 2C.** All players must play two (2) matches during the local league season in all leagues other than 55 & Over MIXED, Combo Doubles and Tri Level which require only one (1) match to be eligible to participate in championship competition (Local League Championship, Sectionals, etc...).
- 2D. NEW 2017!** To advance to a National Championship in the ADULT or MIXED leagues, an individual player must have participated in three (3) matches during all competition on the specific team with one (1) defaults counting. A retired match shall count for all players involved.

3. ROSTER:

- 3A.** A minimum roster as indicated on league information forwarded by the DTA must be registered on USTA TENNIS LINK by the posted registration deadline to qualify a team and be included on the local league schedule.
- 3B.** Team registration will be online through USTA TENNIS LINK at <http://tennislink.usta.com/leagues> using team number provided to captain by local league coordinator. Teams may add players any time prior to the date on the schedule of their second to last regular season match.
- 3C.** Once league flights or schedules are published on USTA TENNIS LINK, team rosters are considered set and only new players may be added. No player movement between teams/levels/flights will be allowed.
- 3D.** Leagues fees are Non-Refundable/Transferrable unless the level entered does not make.

4. PLAYER PARTICIPATION/PRIMARY TEAM DECLARATION:

- 4A.** A player may play on one team in a NTRP level within a division* in the same local league during the same season. When the NTRP levels are divided into flights, players may not play in more than one flight at the same NTRP level in the same local league.
- 4B.** A player may play on more than one team within a division* in the same season provided it is in different NTRP levels.
- 4C.** A player may play on more than one team within a division* at the same NTRP level provided it is in separate local leagues.
- 4D.** It is the responsibility of the captain to know if they have any players that qualify for championship play on more than one team within the same division*. A player who will be attending Sectionals with a team from another local league is not eligible to participate in USTA Dallas playoffs in the same division. Players who qualify to advance to championship play on more than one team within the same division* must choose which team they will represent at the championship level. A player may play on one (1) team only at the championship level per division*. Once a player has started the championship progression in USTA Dallas playoffs that player is expected to represent that same team if it is in the running for the National title and he/she is not eligible to participate on another team within the same division*. If a player's primary team is eliminated, he/she may join a secondary team at the next championship level (our QT is a level, City Championships is a level, Sectionals is a level, and Nationals is a level).

If a player plays on multiple teams within the same season (ADULT or MIXED), captains are responsible for having them declare ONE (1) Primary Team for the local league championship play offs and Sectionals. Players on multiple teams must commit to championship/post season play with only one (1) team. Once that team is out of the championship progression, player becomes eligible to play on a different team.

- 4E.** If a Wild Card is extended post Dallas championship play, it is the responsibility of the captain to verify player's primary team declaration as said players may have declared an alternate primary team post championship play if the pending Wild Card team had been eliminated.

5. NTRP:

- 5A.** A USTA rating is required for league play in all levels. An unrated player is required to Self-Rate before team registration. Go to <http://national.usta.com> (About NTRP Rating link) for more information. The local league has no control/influence over a player's NTRP rating.

USTA Dallas Local League Rules & Regulation

5B. For straight NTRP level leagues (such as 4.0), players cannot have a rating higher than the NTRP level in which the player is competing. A player may only play one (1) NTRP level (.5) above the player’s current NTRP level in the 18 & over ADULT and 40 & over ADULT Divisions.

5C. For MIXED, 55 & over ADULT and 65 & over ADULT (using combined NTRP levels, such as 7.0, 8.0, etc...), the combined NTRP level of the doubles team cannot exceed the combined NTRP ratings level entered. The NTRP difference between members of an individual doubles team may not exceed 1.0.

5D. Computer Rated Players & Self-Rating:

Returning USTA League tennis players begin with their most current NTRP computer rating. If more than three years (two years for players 65 and over) have elapsed since their last computer rating or a player has never had a computer rating, that individual may self-rate to enter the program. The NTRP characteristics have not changed. A player without a current computer generated rating will self-rate while he/she registers for a team on USTA TENNIS LINK. Players begin to generate a dynamic NTRP rating after their first match with a NTRP computer rated player.

5E. Dynamic NTRP Ratings:

All match results and the use of national benchmark NTRP ratings will be used to produce year-end NTRP ratings published each December. Early season ratings for Leagues starting after Adult League Sectionals but before January of the following year will be published each July. To view the ratings, go to www.texas.usta.com.

5F. NTRP Disqualification Procedures:

Dynamic ratings will be calculated for all players during local league competition, and at every level of championship competition below National Championships, to determine if any players have reached the NTRP disqualification criteria stated in the USTA NTRP Computer Rating System Procedures. Year-end computer (C) and benchmark (B) players are not subject to dynamic NTRP disqualification. All other players (S, A, M, T, D) will be NTRP disqualified if they reach the disqualification level three (3) times based on all matches reported in the National database for USTA League Tennis Adult and Senior divisions.

5G. To maintain the integrity of the league, the local league requests that 50% of a team’s rosters must be rated at the level of play entered. Exception would be the winner of the previous local league who wishes to remain together as a team and play at the next higher level of play. In this case, 75% of the original team must remain together. The VP of Leagues along with the respective league coordinator(s) have the authority to determine the proper level a team should play when less than 50% of the players are at level. EXCEPTION, if an adult league consists of only two (2) teams in a level of play (2.5, 3.0, 4.5 and 5.0), each team must maintain its roster with at least 40% of its players at the designated NTRP level of play. FYI, adult league at 3.5 and 4.0 must have a three (3) team league to qualify for advancement.

6. SCHEDULE:

6A. The home team captain should notify the visiting team five (5) days in advance of the match time and accurate, up-to-date directions to the site.

6B. There will be a round robin format with the number of matches determined by the total number of teams registered on USTA TENNIS LINK within each NTRP flight/division by the scheduled league team roster deadline set by the local league coordinator.

6C. Once the team roster deadline has passed, teams are committed to participate in local league play. Any team that fails to field the required lines of play will be subject to the Team Default rule as listed herein, #10A.

7. MATCH FORMATS ALL DIVISIONS:

7A. All local league matches and local league championship matches will be played using the best of two sets criteria, conventional scoring, with a Coman set tiebreak (the first to 7 by 2) at 6 games all and a Coman match tiebreak (the first to 10 by 2) in the event of split sets. In the Coman tiebreak players change ends of the court after the 1st point, the 5th point, the 9th point, the 13th point, etc...

7B. The Home team will be responsible for providing the appropriate number of courts (2-hour minimum) and cans of new USTA approved yellow tennis balls.

Indoor or clay court play is optional provided the visiting team is agreeable.

7C. Players are responsible for their own water during play.

7D. Individual League Formats are as follows:

Women’s 18 & Over (3.0, 3.5, 4.0, 4.5)	3 doubles – 2 singles
Men 18 & Over (3.0, 3.5, 4.0, 4.5)	3 doubles – 2 singles
Women, Men 18 & Over (2.5, 5.0+, Open)	2 doubles – 1 singles
40 & Over (3.0, 3.5, 4.0, 4.5+)	3 doubles – 2 singles
55 & Over (6.0, 7.0, 8.0, 9.0)	3 doubles
65 & Over (7.0, 8.0, 9.0)	3 doubles
All MIXED (*)	3 doubles

(*) 18 & Over (2.5, 6.0, 7.0, 8.0, 9.0, 10.0), 40 & Over (6.0, 7.0, 8.0, 9.0), 55 & Over (6.0, 7.0, 8.0, 9.0)

USTA Dallas Local League Rules & Regulation

7E. Rosters must be exchanged at the designated match time and all players should be on their assigned court ready to play. It is the responsibility of the captain to verify players at the time the lineup is exchanged. Ineligible players must be identified prior to the start of the match. Ineligible players will be recorded as a default (6-0, 6-0) in USTA TENNIS LINK.

7F. Captains should use scorecards on USTA TENNIS LINK to avoid playing ineligible players. Go to <http://tennislink.usta.com/leagues>. Click on "Record a Score" located under My Quick Links on the right. Enter your match number. Scroll to the bottom and click on "Print Blank Scorecard". Captains are responsible for verifying player eligibility prior to match play.

Scorecards printed off USTA TENNIS LINK for matches will include both teams' most up-to-date rosters.

7G. Points played in good faith stand. If a disagreement arises on court it should be resolved before play resumes. Detailed information may be found in Friend at Court "The Code" available on the USTA website. Match results will stand as played, NO EXCEPTIONS.

7H. Match play must begin no later than 15 minutes after the designated start time per the 15-minute default rule. No line shall begin play before the 15-minute default time has passed unless all players from the higher singles/doubles positions are present. Defaults must be from the bottom up. (i.e.: Line 2 singles or Line 3 doubles if players are not available at the start of the match.) Teams are to be moved up. No player may be replaced or switched except under the following conditions:

- a. An injury occurs during warm-up or a player fails to show up and an eligible replacement can be made within the default time.
- b. If players from different lines are unavailable for play, the available player from the lower line may take the place of the unavailable player from the higher line to form a new team at the higher position.

7I. Cell Phones & Other Electronic Devices

All communication devices are to be turned off during play. Should a player's communication device go off during play their opponent may call a let on the first offense and warn the offender that any subsequent offense will result in the loss of that point.

7J. Coaching is NOT allowed during USTA League or Championship play.

7K. Play should be continuous. Between points, a maximum 20 seconds is allowed. When players change ends at the end of a game, a maximum 90 seconds is allowed. At set break, 120 second (2 minutes) is allowed.

8. MAKE UP MATCHES (Due to Rain/Championship Advancement/Extreme Weather):

8A. Rainout / Championship Advancement/Extreme Weather Make-ups:

All make-up matches for rain or championship advancement should be played within 14 days of the rainout/originally scheduled match. If a make-up match has not been entered in USTA TENNIS LINK within 14 days of the original match date, it should be considered as scheduled by the DTA League Coordinator on the 14th day at:

- * 1:00pm for Women's Weekday Leagues
- * 5:00pm for Men's and Women's Saturday Leagues
- * 9:00am for Men's Sunday League
- * 4:00pm for Women's Sunday League
- * 3:00pm for 18 & over MIXED
- * 6:00pm for 40 & over MIXED and 55 & over AGE GROUP

No match is to be rescheduled without the consent of the coordinator unless it is a rainout/championship play. Do not cancel for rain until the day of the match. Only lines that have started (first service attempt) stand for a rain make-up. A team is not held to any defaulted line(s) given.

Should teams be faced with inclement weather on the date of the scheduled make up match, teams have 7 days from that date to reschedule unless late in the season at which time the DTA will set a completion deadline (#8G).

8B. Players that do not complete their match within the original 2-hour time limit and are bumped from their court must remain available to resume the match for a period of 1 hour if the home team can decide to resume the match within 1 hour. If a court cannot be secured within an hour, the players/captains will have 48 hours to schedule the completion of the match (within 14 days) and provide the details to the league coordinator.

8C. Rain Delay:

If both captains have not agreed to declare a rainout, both teams (all players to play that day's match) must be available at the site for one hour beyond the scheduled match time.

8D. Extreme Weather Conditions. The HOME Captain determines the conditions at the match site and is responsible for notifying the VISITING Captain at least one (1) hour prior to match start time. Both captains should verify through www.weather.com. The following weather conditions may subject a match to be rescheduled:

- (1) If the actual temperature is 40 degrees or below OR the wind chill factor is 32 degrees or below.
- (2) The actual temperature is 105 degrees or higher.
- (3) If sustained winds are 30 mph or higher.

USTA Dallas Local League Rules & Regulation

If any of the extreme weather conditions exist, either captain may reschedule the match.

8E. Split-Time Match Play:

If individual match times must be scheduled separately due to court conflict, it is the home team's responsibility to notify and coordinate with the visiting captain.

8F. Automatic Reschedule Match Status. Any regularly scheduled league match(es) involving a team in which 50% or more of male or female roster players are scheduled to play in a USTA Dallas Local Play Off, Sectionals and/or Nationals event representing Dallas shall be granted AUTOMATIC RESCHEDULE status by the local league coordinator and the opposing team. It is the responsibility of the advancing team to notify their opponent NO LATER than 48 hours prior to the scheduled match date. Captains may reschedule the entire match or line by line. The affected match shall be rescheduled following the 14 days' make-up rule noted in 8A.

8G. The League Coordinator may reschedule a match at his/her discretion.

9. SCORING:

9A. Within 12 hours of a completed match BOTH CAPTAINS are responsible for entering scores using USTA TENNIS LINK. The first captain (or designated team member) to log on will enter the scores and the second captain (or designated team member) to log on will confirm or dispute the already reported results. In the event of a disputed score, contact the DTA office with the details at leagues@dta.org.

9B. Scoring for all DTA/USTA matches will be as follows:

One point for each TEAM MATCH (consists of all individual matches) won.

9C. In the event of a tie, the following NATIONAL/ SECTIONAL guidelines prevail:

9C (1) Individual Matches. Winner of the most individual matches the entire competition.

9C (2) Head-to-head. Winner of head-to-head match.

9C (3) Sets. Loser of the fewest number of sets

9C (4) Games. Loser of the fewest number of games.

9C (5) A method to be determined by the League Coordinator

9D. A team that is awarded a defaulted line during local league season play may have up to 14 days from the original match date to request a player name change for the defaulted line on USTA TENNIS LINK. Player name changes must be requested through the local league coordinator via email at leagues@dta.org. This DOES NOT apply to Post Season play.

10. FORFEITS/Team Defaults:

10A. Forfeits start from the lowest singles or doubles lines. A team must play the majority of lines each team match or that match shall be considered a "team default". If a "team default" occurs for any reason during round robin play, the defaulting team will (1) default all remaining matches in the round robin, (2) not be eligible for the same Local League Championship for that season, and (3) all team members of the defaulting team must split up in the following season with no more than 4 members of the defaulting team on any one team in the following season. After the season, if all teams in contention for championship play have already played the defaulting team in good faith, the matches stand as played; otherwise all matches of the defaulting team shall be invalid.

11. COMPLAINT AND GRIEVANCE:

11A. Complaints and Grievances must be presented in writing to the DTA/Grievance Committee within five (5) days of the occurrence by (a) the team captain or acting captain that was present at the match, (b) a league coordinator or (c) a member of the league committee.

11B. The player and his/her captain will receive a copy of a properly filed complaint which will be held on file in the DTA office for a period of one year.

11C. The Local Grievance Committee will officiate any grievance against an individual or team. The parties involved will be given the opportunity to present their side of the event for which the grievance was filed. ALL GRIEVANCES REQUIRE A \$50.00 FEE TO FILE WHICH WILL BE RETURNED IF THE GRIEVANCE IS UPHELD!

11D. If the matter is an NTRP protest, a team captain must submit a written protest directly to Todd Reed, Ratings Coordinator USTA TEXAS at treed@texas.usta.com.

*A division is any one of the National league programs offered and administered by the USTA (USTA League Tennis – 18+ ADULT, 40+ ADULT, 55+ ADULT, 18+ MIXED, 40+ MIXED, and 55+ MIXED).

Dallas Tennis Association League Fee Allocation

The Dallas Tennis Association is a 501(c)(3) non-profit organization with a mission to provide opportunities to improve the mental and physical well-being of the community through education and the sport of tennis.

The DTA's benevolent program, **Invest in a Child**, serves more than 23,000 children through its Dallas Tennis and Education Academy (DTEA) and the award-winning National Junior Tennis and Learning (NJTL) curriculum. This program serves children after school, weekends, and summers. The DTEA program graduates have a **100% high school graduation rate, 98% go on to college, and 98% of those receive academic and tennis college scholarships.**

A portion of DTA's ADULT league fees go directly to these programs. Below is a breakdown of how YOU contribute to the DTEA programs.

WE SERVE. EVERYONE WINS.
